

Your GP surgery now has electronic prescribing

What this means for you as a patient?

You are able to nominate a pharmacy anywhere in the UK, so that as soon as your Doctor signs the prescription it will automatically be at your chosen pharmacy.

How do I nominate a pharmacy?

You can nominate with your pharmacy of choice or you can inform a member of staff at your GPs.

Is this service right for you?

Yes:

- ✓ Receive regular repeat prescriptions
- ✓ Collect your medication from the same place most of the time
- ✓ If you already use or have used a prescription collection service.

No:

Only get occasional prescriptions from your Practice

- ✗ Collect prescriptions from different places
- ✗ Often travel or work away from home

For more information, please ask the practice.
